

ANCHORS BEND NEIGHBORHOOD BUILDERS

Builder Team Solutions, a Whitney Blair Inc. company, is an industry leader and innovator in developing and managing premier builder teams for discriminating Developers, such as Atlantic Blue Development. From project inception, Builder Team Solutions worked closely with Atlantic Blue Development, who demanded their project be supported by builders with the highest construction standards, most innovative construction methods, and greatest enthusiasm for the project. Builder Team Solutions developed and established Architectural Design Guidelines based upon the stringent standards established by Atlantic Blue Development for Anchors Bend. This ensures neighborhood consistency and integrity resulting in homes of the highest caliber with coordinated and timeless architectural design. Continuing our commitment to quality and coastal lifestyle, we have selected a superb builder team that shares our values.
